CPA GROUP OF THE ROCKIES

MILEAGE LOG

We recommend using an app for logging your mileage related to your business, rental, medical, or volunteering efforts. An app will likely have reporting capabilities and reduce the amount of manual tracking you complete. This log is an alternative to an app and should be kept with your other tax records, receipts, etc. For tax preparation purposes, please only provide the total mileage you accrued for each business, rental, medical-related travel, or volunteer work.

Month _____ Year _____

Date	Purpose/Location	Odometer Start	Odometer End	Total Miles
